

Dear 2012 Leadership Training Applicant:

This letter is to confirm that we have received your registration for the 2012 LT program for either #1500, July 1-21; #3500, July 15-August 4; or #5500, July 29 -August 18.

Enclosed you will find an application along with a questionnaire for you to fill out and return. You will also need to have two letters of reference sent to camp. These should be from people who can attest to your sense of responsibility and suitability to work with children. One typically is from your pastor or youth advisor at church. Application, letters, and questionnaire must be received by May 15th.

Finally, you will need to attend an introductory seminar here at camp on Sunday, June 3rd from 2-4 p.m. We will discuss what you can expect from the LT program and we'll also get to know each other as we prepare to become leaders of the church community as a whole. If you are unable to attend this event, please let us know as soon as possible so that we can discuss other arrangements. Parents are also invited, as much of the information to be shared will be helpful to campers and parents alike. There will be a separate session for parents.

Thanks for your interest in the program.

Sincerely,

Harry Zweckbronner
Program Director

Dear 2011 Leadership Trainee Reunion Applicant,

This letter is to confirm we have received your registration for the 2012 LT Reunion Camp. Spaces in this unit will only be reserved for those who have been accepted into our 2011 Leadership Training Program.

Let me take this time to explain the program to you further. We will spend the week of August 19-24 at camp working with Family campers and helping button up the site for the winter. You might also do a service project for the camp, a project that will be something the year round staff at Johnsonburg has had trouble finding time to complete. This is your chance to give something back to the camp. We will also have time to swim and hang out together as a unit. Two counselors will be assigned to keep an eye on you, but you'll have more freedom than you typically did as a camper.

Besides your clothing and supplies, all you will need to bring with you this week is a great attitude, loads of energy, and a desire to live in Christian community for the week. You will share the campsite with family campers who have come to enjoy the beauty of Johnsonburg as a family unit. Knowing that many of you are participating in the LT program because you hope to work at camp, please keep in mind that this is another great opportunity to show us what you can do!

Your camp week will begin with registration outside the Office between 2-4 p.m. The camp nurse will be there to check you in and take any medications you have with you. You will need to tell her what week you were here for your regular LT session so that she can pull your health form from that week. The week will end after the noon meal on Friday. You should be picked up sometime between 1:30-2:30 p.m.

I want to express my excitement that you have signed up to join us for this week, as I know it is going to be truly memorable experience! You are guaranteed to go to bed tired, but you will leave with the knowledge that you personally made a contribution to keeping Johnsonburg growing.

Sincerely,

Harry Zweckbronner
